CREATE A SPECTACLE

Changing your spec style as often as you change your underwear can prove costly.

Enter the Dilem range of eyewear, whose chic, interchangeable temples make it a cinch to tailor your specs to individual outfits. Each frame comes with a separate set of temples (prices range between R2 900 and R3 800). You can buy extra pairs of temples for between R550 and R1 800. Contact Funky Eyes on 082-963-7031.
